- Quickly and professionally produce business cards with bleed edge design
- Fits securely on custom waste bin for ease-of-use, maximizing run time and no-mess production
- Easily converts 8 1/2" x 11" sheets to finished 2" x 3 1/2" business cards with a simple two pass operation - either full bleed or regular
- Cutting blades are hardened steel and self sharpening for years of operation without sharpening or replacement
- Adjustable paper guides allow for easy set up for customized needs
- Up to 360 completed cards/minute
- Continuous feeding of stacks up to 5/8" thick
- Catch tray hinges for compact storage
- Rear cover panel strips waste away from rollers - self-cleaning. Also has interlock switch for safety
- For maximum safety the machine will not run if rear cover is not in place
- Create bleed-cut business cards easily with programs such as Quark, InDesign, Illustrator, Word and Publisher
- Ships in two boxes = 78 lbs. total
