Product Description

Lamination made easy. The Fusion 1000L 9" laminator is designed with user-friendly features and rapid speeds to help extend the life of your most important documents. Laminate a wide variety of projects, from handouts for your meeting, to a family recipe card or game pieces for your students.

Features

- Our sleek, modern laminators will keep up with all of your projects. Perfect for small offices, schools or homes with occasional or creative laminating needs.
- Get more done in less time. The laminator warms up in just 4 minutes for quick and easy use. Laminate up to 10 documents in 10 minutes, with 13" per minute laminating speed.
- The 9" laminating width allows for a variety of projects, while smooth rollers help projects stay wrinkle-free. Compatible with any 3 mil laminating pouches.
- Laminator comes with an industry best 3 year warranty and 10 letter size EZUse Pouches, which are designed for easy loading and document alignment.
- Lamination made simple. Jammed pouches are easily released at the touch of a button. Machine has green ready light when fully warmed up.
- A cold lamination setting provides more laminating options. Cold lamination works with pressure-sensitive adhesive pouches including GBC SelfSeal pouches, sold separately.
