Product Description

Perfect for educational settings, day cares, churches, and small offices, the Ultima 35 desktop roll laminator delivers high quality results and features EZ Load technology. EZ Load roll film ensures error-free film loading every time.

Features

- One-touch AutoSpeed automatically adjusts the laminating speed for you, ensuring quality lamination on every project
- Less than 2 minute warm-up time. Laminates at 36" per minute.
- EZ Load technology eliminates film loading mistakes
- Built-in trimmer and reverse function. Maximum document width of 12".
- Heat Shoe Accutherm™ heating technology promises flawless, consistent results
- LED ready light. Auto standby after 1 hour and shut off after 2 hours of non-use.
- Limited 1-year warranty. 16.92" L x 18.11" W x 11.14" H.
- Laminator is compatible with GBC EZ Load blue end cap roll film: 1.7 – 5 mil thickness, 12" max roll width, 1" core
