39069

PRODUCT DESCRIPTION

Versatile lamination is at your fingertips with this convenient Select-A-Size Thermal Lamination roll. Simply cut the size you need for jobs big and small. Laminate any size item at home or in the office with any pouch laminator.

FEATURES

- Select-A-Size Thermal Lamination lets you create a variety of laminated items including banners, signs, ID badges, education items, training materials and more. The possibilities are limitless!
- Simply use the included trimmer to cut the amount of film needed to create a pouch that fits the task at hand. The ready-to-use box comes with a perforated top for easy cutting and film storage.
- Choose the desired pouch size for your project by pulling the film through the top of the box, then cut to size with the included trimmer
- Lamination roll is sealed on one edge so it's easy to insert and align materials into the pouch. A carrier with instructions is also included to help guide the unsealed edge of the pouch when inserting it into a laminator.
- Compatible with most 9" thermal pouch laminating machines including GBC Fusion Laminators
- Crystal clear thermal lamination pouch results in a glossy finish. 3 mil thickness for flexible lamination results. 100 feet per roll.
