1703097

Product Description

Fusion® 6000L Laminator provides faster-than-ever lamination with a 1-minute warm-up time and superior laminating speed. Perfect for busy office environments, this laminator also has several user-friendly features to maximize productivity and minimize errors.

Features

- 6000L warms up in just 1 minute to begin laminating right away
- 47" per minute laminating speed. Laminates up to 40 documents in 10 minutes.
- Advanced Auto Pouch Thickness Detection feature allows laminator to determine and self-adjust to best settings based on the thickness of the item
- Auto jam detection and motorized reverse make it easy to clear lamination errors
- Suitable for use with 3, 5, 7 and 10 mil laminating pouches
- Cold lamination setting included for use with pressure-sensitive pouches
- 6000L laminates documents up to 12" wide and includes accurate feed guides for flawless results
- Touch button interface is user-friendly for easy adjustments. Auto shut off feature conserves energy.
- 50 EZUse™ Speed Premium Laminating Pouches are included
- 3 year limited warranty
